Youthworks have published a great new resource, Kids Read.

*“Kids Read is a free resource to help you get started reading the Bible with your child whether they are preschool, primary school or in high school. Kids Read will help you have engaging discussion with your child about the Bible by providing some age appropriate questions for your Bible time.*

*It is not a devotional. Kids Read is a support to help you open any page of the Bible (or even a Story Bible) and read it together.”*
