September 2022

Thank you for praying for us!

For Bijaya's study

We are thankful that again Bijaya got through last semester, and us now half way through another. Bijaya really enjoyed his recent essay on Psalm 27, and it was great that he could preach (online) on the same passage for a Nepali church in Dubbo. Its great to be able to use some of what he has been learning! Continue to pray that Bijaya will grow in knowledge and love of God and his word as he studies.

For Apechhya

Things have continued to be tough with her health. We are thankful to God that she has managed to finish year 12, with 'just' the HSC exams to go. Particularly thankful that this week she could participate in all the end of year activities! Her first HSC exam will be on the 12th of October. Pray for her as she prepares over the next weeks. Pray for a sense of peace as she accepts the limitations of being sick. Pray she can concentrate when she is studying. Pray that we can all trust God with his plans for her future. Please continue to pray for healing!

For Kate

Kate continues to be thankful for the opportunity to partner with churches in South West Sydney through her role in Anglicare. Highlights this year have been piloting cross cultural awareness training (a partnership between Anglicare and CMS) and opportunities to get to know churches in the Macarthur area. Pray for that partnerships between Anglicare and churches can see churches better equipped to care for those who are struggling in their community.

Nepali ministry in Sydney

With such a large increase in Nepali people in Sydney, there are some ministers who are keen to better understand Nepali ministry to better reach out to their community. We thought a good start might be to hear what is already happening in Nepali ministry in Sydney, and to pray together. So we have organised a meeting for interested Anglican ministers and Nepali church ministers to share and pray together. Pray that God would be at work to see the strengthening of Nepali ministry in Sydney. R and S who we mentioned in the last email came to church with us 2 weeks ago, continue to pray that they would come to know Jesus!

Thank you to those who are supporting us financially through CMS!

It is because of this support that Bijaya can study full time. If you would like to support us you can do so through the following link: <https://give.cms.org.au/KateBijaya>
